

Making A Coffee Gift Basket

When you are looking for a fun and creative gift idea, gift baskets are a great way to go. You can add your own personal touch to any gift basket. For the coffee lover in your life, you can create a gift basket that will be sure to satisfy their taste buds while letting them know you put a lot of thought into their gift. You can be very creative with a coffee gift basket, by adding a variety of flavors to this special package. When you make a coffee gift basket, it does not necessarily have to be in a basket. You could use a bag, box, pail or any other type of container. You can just let your creative juices flow. Once you have selected the container for your coffee gift basket, you are ready to begin filling it. This is where the fun comes in.

Filling Your Coffee Gift Basket

The first thing you want to put into your coffee gift basket is of coarse coffee. There are several types to choose from. Most prefer to add gourmet coffee beans as the center piece in the gift basket. You can find these at a grocery store or one of the many coffee houses. Some gourmet coffees can be purchased in a decorative bag that will add a touch of class to any coffee gift basket. You can also add some instant coffee as this is perfect for the coffee lover on the go. You might also find a few sample flavors of the coffee in smaller bags that will help fill the basket.

Flavorings

Once you have the coffee in your container, you should consider what types of flavorings you want to add to your gift basket. There are so many different coffee syrups on the market you will surely be able to find a few you think your coffee lover might enjoy. Add a few bottles of that and you are sure to add a smile to the recipients face. What about creamer? Some people enjoy creamer in their coffee and once again there is a wide variety to choose from. Your basket will start to become full by this time.

The Most Important Item

One of the most important items for a coffee gift basket would be a really nice coffee cup. This will be one of the best items you can add to your special present. This is where you can add a touch of personality to the gift. Whether it is a large or small cup, you need to have a coffee cup to complete the coffee gift basket.
